(ii) No form of self-nomination will be accepted;

(iii) Please note that nomination of a candidate does not necessarily guarantee that s/he will be selected. Selection is at the discretion of the CIRDAP Secretariat. A basic criterion for selection is the homogeneity of the participants in terms of qualifications and work experience. Non-selection, therefore, does not mean that the candidates concerned are not competent enough. Sometimes candidates are not selected because they are over qualified for a training;

(iv) Each nomination should be accompanied by the necessary documents. A nomination lacking any of necessary documents (specified under Annex 1C above) may not be considered;

(v) Member countries are requested to adhere to the nomination deadline given on page 1. The Secretariat may not consider late nominations as they have in the past resulted in considerable difficulties to the implementing organization in its preparatory work for the training;
