

Summary

- Have 40 years of experience (30 years in NABARD) in applied empirical economic research and published about 110 monographs and research papers in peer reviewed journals. *Google Scholar H index is 19 and I index is 32.*
- Elected Fellow of Agricultural Economics Research Association, New Delhi
- Member, Sectoral Policy Group, Agriculture, India International Centre, New Delhi
- Holds Ph.D. in Agri Economics from Indian Agricultural Research Institute (IARI), New Delhi, 1995, and had good academic scores in school and college.
- Expertise in monitoring and evaluation of projects, development policy issues. Research interests include FPOs, social capital, rural credit, microcredit and SHGs, commercialization and diversification, irrigation and water management, rural non-farm sector, agricultural development, etc. Latest research work is on farmers welfare, action for Amrit Kal, farmers income and credit in North-east region (ongoing).
- Headed Department of Economic Analysis and Research (DEAR), NABARD, Mumbai as Chief General Manager (retired since 1 Dec 2022) for 28 months. Significant achievements: motivated team of economists towards quality research, enhanced efficiency and reduced carbon footprint (reduced printing to bear minimum) through digital functioning, maximised outcomes from R&D Fund of NABARD, special policy overview series by eminent economists, rejuvenated in-house research in NABARD and brought out 60 research reports and scores of journal and conference articles through inclusive approach in 2 years, revamped the NABARD's Annual Report on 4 Cs: content, concision, contemporaneity and communication. Just led by example. Put DEAR on agricultural economics research map in India during 30 years journey with NABARD.
- Significant achievements are steering NABARD All India Rural Financial Inclusion Survey (NAFIS) of over 40000 rural households across 29 states; launching second round of NAFIS; constructing NAFINDEX based on NAFIS 1.0 data, Report on Farmers' Welfare across Indian States; Charting out the Journey of Indian Agriculture over last 75 years; and launching NAFIS 2.0 covering all districts and 1,00,000 rural households, constructing Financial Inclusion Index (NABFINDEX), Farmers' Welfare Index (FAWI), Market Access Index, among others.
- Over 4 years of teaching and training experience in Bankers Institute of Rural Development (BIRD), Lucknow, Konkuk University, Seoul, South Korea and guest faculty support in India.
- Engaged in special assignments in and out of NABARD - that include working as member of **Sub-group on disadvantaged farmers and women** for XII Plan, helping **Expert Group on Rural Credit (ECRC)** (Chairman: Prof.V.S.Vyas), Member of Quinquennial Review Team, 2018-22 for ICAR-CSSRI, Karnal, Member, Member, Sectoral Policy Group-Agriculture, India International Centre (IIC), New Delhi.
- Referee/reviewer for several reputed journals
- Currently Vice President, Indian Society of Agricultural Marketing, Hyderabad and Associate Editor, Agricultural Economics Research Review, New Delhi.
- Member, Advisory Committee of a Ph.D. Student from Central Institute of Fisheries Education (CIFE), Mumbai and Thesis examiner for a few Ph.D. Students.
- Have other interests such as music, art, literature, Sanskrit
